My profile

This is me

I'm a very self-taught, calm, honest and self-confident young man.

I'm looking for a job offering all my skills and knowledge. If there is something I need to learn, I learn it in record time. I aspire to work in a company that demands and challenges my skills as a developer. I believe that my portfolio faithfully reflects a bit of my skills.

Jobs and projects

My portfolio

- ✔ [Portfolio.GesPrender.com](#)

GesPrender.com

- ✔ It's my personal project, a business management platform. It started as platform to manage my printing company and I'm currently working to offer it as a service to other businesses.

TuMentorTrader

- ✔ I designed a landing Page for a tradign company. Although it no longer exists today, I keep the design as my first work experience as a developer.

WebTradingBot

- ✔ It's a webApp for trading cryptocurrencies. By implementing an API with my application I can make purchases, sales and have a real-time record of transactions.

Independent designs and developments

- ✔ I invite you to see my portfolio
